# '71 BUSINESS OUTLOOK

## IDEAL THEATRE & AVON THEATRE CO.

Remember when they said television would kill the movies? Like many predictions, this one turned out to be false---how false you can see by watching the box office of the Ideal Theatre & the Avon Theatre Co., in Heber City at 94 S. Main.

Modern, talked about films are scheduled to provide the best entertainment available in any theater.

Television certainly has its place in modern living, but it's not a substitute for getting together with friends and watching an uninterrupted movie on a wide screen. There's a slogan which says to go where the action is. Truthfully, is there ever very much action in the living room? Re-

runs are fine, but people who keep up with the times demand entertainment which is up with the times. This means seeing a motion picture as soon as possible after it is released.

Not only do the theaters offer patrons the best in motion picture entertainment, it also offers a wide variety of tasty treats at the snack bar. To many residents of the area, happiness is a soft drink or a bar of delicious chocolate consumed in the entertainment filled atmosphere of a theater which prides itself on the quality of its films.

Customers can find out what's playing at the theater by telephoning 654-1181.

The reasonable prices at the

theatres make it possible for all area residents to enjoy the best in motion pictures: only \$1.00 for adults and .50¢ for children.

The owner, Ken Hiatt, also has theatres in Logan and Rock Springs, and he makes sure that on week-ends one of the theatres always feature a "G" rated film for family entertainment.

This 1971 BUSINESS OUTLOOK is happy to recommend a way to forget your own problems for awhile. Consult the schedule, find out what is playing, and spend several care-free hours watching others solve their problems in a world of make believe at the Ideal Theatre and Avon Theatre Company in Heber City.
